## TEXT MESSAGING SERVICE AGREEMENT

Would you like to receive text message reminders from Patient Focused Neurology (PFN) about your appointment confirmation and essential information, status & request relating to your patient account? PFN is offering a reminder service by text message to your cell phone. This service is optional.

We will not send you text messages without your consent. Text messages are not confidential. Anyone who uses your cell phone or who has access to it might see the text messages. Communication service providers used by you or PFN may also be able to see these messages. Text message charges may apply depending on your text message plan. Therefore, PFN will not send you text messages without your permission.

By signing this **Text Messaging Service Agreement** and providing your mobile number, you are authorizing PFN to send you text messages regarding appointments confirmation, renewals, insurance and account status and other information pertaining to your patient account.

Consent is not a condition of any purchase. Message frequency may vary. Message and data rates may apply. You may stop this service anytime by contacting our office with a verbal or written request.

I would like to receive text messages from PFN. I understand that this service is optional. I can STOP it at any time.
